

Day Camp Summer 2012

June 18th - August 10th
9:00 am to 3:00 pm
\$250 per week*

Summer is just around the corner! The summer program is designed for children ages 3-8, providing them with exciting and creative activities each day on our beautiful Haverford campus. Children will express their creativity through arts & crafts and loads of fun and imaginative play! Our older campers (5-8) will also spend time in our state of the art computer lab getting familiar with cutting-edge computer skills. This promises to be a fun filled summer for all!

Each day will both excite and engage campers with new and interesting activities to explore. Whether it is spending time in our organic gardens, walking along nature trails, or intricate jewelry-making and crafts, campers will never find themselves at a loss for options. Students will learn new songs and dances, and write and perform short original plays and films. Our summer staff will guide the campers in explorations of new and wonderful worlds!

*Must register for 2 consecutive weeks. See schedule on registration form for details.

As a school we value a small diverse community. We strive to teach the values of integrity, equality, service, simplicity and peaceful problem solving. We aim to achieve nothing less with our summer programs. We encourage children's curiosity, creativity and joy of discovery and we know campers will take that with them. Hope to see you this summer!

Day Camp Registration Summer 2012

Camper's Full Name: _____ Age: _____ D.O.B. _____
