

Young Artist Theater & Film Summer Camp

June 25th - July 20th
9:00 am to 3:00 pm

This summer Friends School Haverford invites you to explore your creativity and discover the worlds of Film and Theater! Open to ages 8-12, the Young Artist Summer Camp is an engaging adventure for performers of all experience levels!

Study in multiple media!

Campers rehearse and perform scenes from stage and screen, then work together as a film crew to film and edit their work. This gives them a chance to work both in and behind the scenes!

We will also watch, read, and analyze famous works to learn more about the language of film and the dramatic devices used in theater. Our goal is to provide campers with a better understanding of the creative process so they can keep working and learning even after camp ends.

Each week exploring something new!

From early Greek choral performance to modern improv comedy, each week we will study an artistic style and develop a week-ending performance for friends and family at Friends School Haverford! We will also shoot and edit short films and send you home with your very own DVD copy!

Camp begins at 9 a.m. and ends at 3 p.m. Early drop off and late pick up are available. Campers need to bring a lunch and a snack each day. Depending on availability, we will go to see local productions and have guest speakers.

*Camp closed on July 4th

Register by March 1st for \$100 off!
